Cruisers Sports for the  
Physically Disabled

## Who Are the Cruisers ?

Founded in 1986, Cruisers Sports for the Physically Disabled in the Peel and Halton regions is dedicated to enriching the quality of life for children and adults with physical disabilities through sports and recreational activities that provide life-enhancing skills. A non-profit, charitable, volunteer organization, Cruisers Sports provides the specialized equipment, training and opportunities needed for the athletes to participate— we believe financial burden should not be the reason a child or adult may be left out of the fun, the socialization and the excitement of group sports.

The Cruisers currently offer the following sporting programs Sledge Hockey, an adaptive form of Canada's favourite sport, Track and Field, Boccia and Wheelchair Basketball. Cruisers Sports aims to develop an atmosphere of support and teamwork, where athletes can become motivated and independent individuals. Our athletes develop a healthy attitude towards the benefits of fitness as we strive to develop the potential and positive abilities of people with physical disabilities. We promote the understanding that having a disability need not be a barrier to participation.
