

Out of Bounds Membership Application

Any athlete wishing to compete for the Cruisers from outside our region must fill out an application form. The Cruisers support all teams in the leagues we participate in and we encourage athletes from outside our residential boundaries to first contact a suitable club within their region.

Note: This application must be reviewed and approved by the board members. Once reviewed by the board, applicants will be notified. Boundaries are specific to the sport applied for, and acceptance into one sport does not guarantee the ability to compete with the Cruisers in all sports.

Boundary Catchment Definition:

Residential boundaries for the following programs are: Halton and Peel Regions for Boccia, Multi-Sports, Sledge Hockey, Track & Field and Wheelchair Basketball. Please note that these areas are subject to change as leagues we participate in continue to grow.
