To Whom It May Concern:

Cruisers Sports for the Physically Disabled is a non-profit, volunteer organization dedicated to enhancing the quality of life for children and adults with physical disabilities. We provide adapted sports such as Boccia, Sledge Hockey, Track & Field, Wheelchair Basketball and a recreational Multi-Sports group. We promote the development of teamwork, confidence and independence.

Physical disabilities or financial burden should not be the reason a child or adult be left out of the fun, socialization and excitement of individual or group sports. Cruisers Sports provides the specialized equipment, opportunities, and training needed for athletes to participate. Our athletes are members of the Halton and Peel Regions.

As a community minded organization, I invite you to support our organization by becoming a program sponsor, volunteer, donate or attend one of our events or participate at event committees. Your organization will be recognized via social media, print materials and tax receipts are available upon request.
