To Whom It May Concern,

Cruisers Sports for the Physically Disabled is a non-profit, volunteer organization dedicated to enhancing the quality of life for children and adults with physical disabilities. We provide sports and recreational activities such as Sledge Hockey, Track & Field, Wheelchair Basketball, Boccia and Multisport group. We promote the development of teamwork, confidence and independence for our athletes ranging in age from 2 - 62 years.

Physical disabilities or financial burden should not be the reason a child or adult may be left out of the fun, socialization and excitement of group sports. Cruisers Sports provides the specialized equipment, opportunities, and training needed for athletes to participate. Our athletes are members of the local Peel-Halton community.

Cruiser Sports is hosting our 12th Annual Golf Tournament on Tuesday September 13th at Banty's Roost Golf and Country Club, 12600 Bramalea Road Caledon East. This golf tournament is one of our major fundraising events. All monies raised go 100% back into programs and equipment for our athletes. At this event, we anticipate 100-125 golfers to participate.

As a community minded organization, I invite you to participate in our event by providing product for our silent auction table, golfer prizes and/or our raffle table or become a hole sponsor for \$250. Your organization will be recognized on all written materials, on posters throughout the event and on our website.
